Modified MLA style for citing sources for PHYS 280 papers

Journal articles:
Author's last name, First name and Initial. "Title of the article."
   Journal or magazine title in italics. Volume number, issue number (date): page numbers. Database name in italics.
   Web. day month year of access.

Example:

Books:
In addition to the MLA standard citation for books, please include the source for your book, such as Consort or OhioLink, prior to "Print."

Example:

For full citation information, including the style for parenthetical citations within the body of the text, see the Citation tab on the PHYS 280 libguide:
